My Mind  
Is A lost  
Battlefield  
Thinking  
Will be  
The death of me  
However  
It's result  
Has bought me  
To understand  
That the real war  
Is a war within

So  
Are we getting stronger?  
What we fear is  
Fear

Are we learning

Don't let this doubt  
Fill my mind  
I sense Danger here

No more suffering

It's  
It's the sound of stars  
That will guide us home

Silence

On a Journey  
I'll  
My mind goes  
Wandering again

Silence

To  
Climb out of this well  
I'll need something greater

Something more  
Then A  
Ladder  
Something with need  
Something with motive  
Something with steps  
Greater  
Then I

Let us not falter

Our  
Families are destroyed  
Through heedless actions

Why do we feel so lost

Why  
Why Cannot we  
Be content with life

If you seek a  
Journey  
Of Revenge  
Dig Two Graves

Dig Two Graves

Dig Two Graves

Lost

Lost
