Tune my weaker eye, spit white
Hold the world up all day
She's blue in the face again
Paracetamol

Burn the darkness all away
And drinking kitchen paint
To dye the winter
I hope we'll never see again

Deaf and dumb with the lights on
Deaf and dumb with the lights on
Married by signs
Married by signs, ah, ah

Personal Holloway
Six month linen
It's safe to say we are alone

Suburban suicide
Watching night come amber
It's all so temporary

Deaf and dumb with the lights on
Deaf and dumb with the lights on
Deaf and dumb with the lights on

Married by signs
Married by signs
Married by signs

Move a little way forward
Move a little way now
Move a little way forward
Move a little way now
Bleed life breathe life

Could be a better plan
Could be a better plan
Could be a better plan
Could be a better plan
Could be a better plan

Could be a better plan
