This song is dedicated  
To all the party people in the house man  
So get ready to make your move.

Oh oh oh I, I don't need no one else but you in my life  
Even if I try I can't work it out  
I'm longing no one else but you in my life  
\_\_\_\_\_ number one.

Push my feeling, push my feeling  
Push it up, push it up, push my feeling (2X)  
Follow me now lovers, follow me now boys and girls  
Follow me now, follow me now  
Follow \_\_\_\_\_ number one. (2X)

Oh oh oh I, I don't need no one else but you in my life  
Even if I try I can't work it out  
I'm longing no one else but you in my life  
Oh oh oh I, I just wanna be with you  
Cause I know the things we do  
I just wanna be with you.
