Verse One: Snoop Doggy Dogg

I bring you up and then you bring me down
Now how you gonna clown the top dogg in the pound
Girl, my repretis is for the paw
See when you roll with Doggy Dogg
Baby you roll like a stalk
Plus sees you eats swell 7 days of the week
I take you from the streets to the sweets
Know you a super freak
With brothers on your jock now
Word around town now
Baby girl got the platinum pay now
And everybody want to hit it, It's so hard to hold on to it
Once you get it, Now that I got it
I'm in a twist and I'm fallin' in love
I told th homies I ain't hangin' out, Fuck the club
Cause I'm payin' rent and cookin' her dinner
I'm feelin' like a loser when I know I'm a winner
I'm snoopin' tripin' caught in a love maze
My mama used to say it be dayz like this man

Isn't it funny
The things you said and done to me
You said you want me
But now lady I wanna be free (That's right, that's right)
You lied to me
You said you never would play me (Uh huh)
But I found out that you were lying

All the time

Chorus:

You pick me up (oh oh)(That's right)
And you bring me down (Bring me down) (No doubt)
When I thought I found in you solid ground (oh)
You turn my smile (You turn my smile)
Into a frown (Into a frown)
Girl you promised that you'd never let me down
(mm, you made me say oh oh oh)
And now you're not around

Take my heart and use me
And you see I'm still around
For your talk and for your smile

Chorus:

You pick me up (You pick me up)
And you bring me down (Same time you bring me
down)
When I thought I found in you solid ground

Verse Four: Snoop Doggy Dogg

There is something I have to say
Something I can't delay
You hurt me so bad
And you made me feel so sad (that's right)
It's a feeling I can't explain
I won't let you wreck my brain
You said you'd never hurt me (ohohohohhhh)
But then you go and desert me, baby
They say pimpin' ain't easy but it's a whole lot of fun
Unless you gettin' pimped and you ain't the only one
She had me drinkin' smokin' losin' my mind
Outta control, I had to slow my roll
I was rollin in the fast lane
Thought I was the Superman, but I was the Snooperman
It was no need for me to be frownin'
An it was no need for her to keep clownin'
Effect for Jo jackin' chips stacks none
Keep it on the lo lo
K-Ci and Jo Jo
Brought me up, so I could bring you down
Cause we know for slappin' ???
I guess you didn't ???
What you do about little
We do it by the bigger
Back off cause these is my niggas
Put my finger on the ground
Put a G dogg on the pound
If a bitch can't swim she bound to drown

Chorus:

oh oh oh oh (Mr. Dal, Mr. Dal, Mr. Dalvin Remix)
oh oh oh oh oh oh (Mr. Dal, Mr. Dal, Mr. Dalvin Remix)
oh oh
You pick me up (c'mon)
And you bring me down (That's right)
(Mr. Dal, Mr. Dal, Mr. Dalvin Remix)
When I thought I found in you solid ground (uh huh)

Into a frown (uh huh) (Mr. Dal, Mr. Dal, Mr. Dalvin Remix)
Girl you promised that you'd never let me down
And now you're not around
oh oh oh oh oh oh oh oh (That's right, that's right)
