Times up. Now its hard to imagine I once called this
place my home.
Its hard to imagine that I once called this empty space
my home.
Now its just another place I want to forget. Good times
were always
followed by bad ones. But I guess thats just the way the
world keeps turning.
Nothing gold will ever stay... Sometimes I wish I'd never
wake again.
But when its all said and done i'll never look back.
and when it all comes undone nothing will be left of
me.
Weeding out my wrongs in hopes of better sleep but
nothing ever
seems enough to rest these heavy eyes. Apologies and
regret
have filled my heart. These feelings are unbearable.
Nothing gold will ever stay.
It was only a matter of time before my past came back
around to haunt me.
And I can only blame myself
