Will you ever feel this fainting  
Like I did as you said no  
Like a free fall without a parachute  
I fear this kind of attitude

Even you've tried to make me understand  
That you're sorry - let me know  
That I will have to comprehend  
My crush on you will make me feel blue

Why, why  
You did not let me in?  
Why, why  
You did not let me in?

Theres nothing I can do to change your mind  
Theres nothing more servile to show you  
How I feel inside  
Even nothing I can say to make you smile at me  
I'm so miserable in love  
This is an emergency

For how long my thoughts repeating?  
Beyond the means they recommend  
To me to play this a thousand times  
Imagining an happy end

Can't grab the impact of this lesson  
18 nights a blessing or a curse?  
For me so close to all my dreams  
My feelings turning in reverse

Why, why  
You did not let me in?  
Why, why  
You did not let me in?

Theres nothing I can do to change your mind  
Theres nothing more servile to show you  
How I feel inside  
Even nothing I can say to make you smile at me

I'm so miserable in love  
This is an emergency  
This is an emergency
