In the Garden of Delight
Angels breathing bliss
But the sweetest touch of all
Is the serpent's kiss

And she whispers in your ear
Try my fruit of lust
I'm the queen of ecstasy
In God you cannot trust

Taste forbidden fruit
The sweetest sin of all
Oh, so hard they come
And so hard they fall

Taste forbidden fruit
The sweetest sin of all
Oh, so hard they come
And so hard they fall

Sleep with snakes and you become
A victim of the dark
Former mistress of the devil
Loves to break a heart

Now its time to pay the price
Painful is the cost
In the dawn of innocence
Your paradise is lost

Your paradise is lost!

Taste forbidden fruit
The sweetest sin of all
Oh, so hard they come
And so hard they fall

Taste forbidden fruit
The sweetest sin of all
Oh, so hard they come
And so hard they fall
