Im gonna die today
But no one really cares
I lost my will to live
So why should I stay here
I will pass away from here
Into eternity
I will follow you my dear
The future is unclear
Im gonna slip away
Into another world
No one knows what to come
Heaven waits or hell
Ill soon be in a better place
Save and secure
A better place for me to stay
Of freedom and of cure
Heaven is the place to be
After life and death
Heaven means eternity
Evil takes your breath
