Why don't you realize
We've seperated so much
Unhappiness is a too big price
We cannot stay in touch

You promised me so many things
You couldn't keep
I unhappiness is the result
I cried inside myself so deep

I don't care that you hate me
Cause I don't like you at all
I don't care that you hate me
Now I really start to feel free

Why can't you understand
Love means more than happiness
I don't follow your command
Stop causing all this stress

You promised me so many things
You couldn't keep
I unhappiness is the result
I cried inside myself so deep

I don't care that you hate me
Cause I don't like you at all
I don't care that you hate me
Now I really start to feel free
