

In Strict Confidence

"Inside"

Fear to raise my eyes
Sign to proof my view
Don't isolate your sins
That what we've done, is true

You teared a piece of me
Inside
You burned the heart in me
Inside

It's not the future
Which has gone by, on us
It's not the darkness
Which dazzles you, my child

Inside, we let it happen
Inside, we close our eyes
Inside, we turn
Inside, we die

Fear to raise my eyes
Sign to proof my view
Don't isolate your sins
That what we've done, is true

You teared a piece of me
Inside
You burned the heart in me
Inside
