Break the silence
Look into my eyes
Our thoughts are fusing
Our souls stay apart
Icy breath on my skin
Cold glance in your eyes
A mysterious dream
Lost in paradise

Your kisses are poison
Your touches are chains
I'm caught in your spirit
Isolating my brains
Wrapped in feverish illusions

Tears burn on my face
Tearing up my shackles
Floating through an empty space

Stealing my senses
You're imprisoning me
I'm obsessed by your nearness
Never set my heart free

Finally I fall asleep
Your arms hold me tight
My soul roams through the gloom
Longs for another night
Drowned in your embrace
Ocean of ecstasy
Lustful illusions
Are seducing me

Break the silence
Look into my eyes
Our thoughts are fusing
Our souls stay apart
Icy breath on my skin
Cold glance in your eyes
A mysterious dream
Lost in paradise
