Here is my deal with death
Its seven lives i have
Despite my deepest fall
I haven't spent them all
I never do look back
I never turn my head
I never raze my past
I never stop my march
Come! no night too dark, no road too long
Run! no rain too hard, no wind too strong
Pray! no blood too red, no cut too deep
Stay! no pain too bad, no track too steep
All i want is to fullfill
Praise my mission, bless my will
If you kill me, break my neck
Seven times i'll resurrect
All i want is to fullfill
Praise my mission, bless my will
If you kill me, break my neck
Because seven times i'll resurrect
Come! no night too dark, no road too long
Run! no rain too hard, no wind too strong
Pray! no blood too red, no cut too deep
Stay! no paint too bad, no track too steep
Faith! i'm bound to live my destiny
Hail! my longing for eternity
Forever seek my dream
Days and nights and endless stream
Come with me
My march goes on
Today i'm here
Tomorrow gone
Come! no night too dark, no road too long
Run! no rain too hard, no wind too strong
Pray! no blood too red, no cut too deep
Stay! no pain too bad, no track too steep
Faith! i'm bound to live my destiny
Hail! my longing for eternity
