Consequence
Just a matter of time
Reactions
Can you feel words crime

Reconstruction
Can you feel the pain
Blindness
Just for your gain

Before the setting of the sun
Armed forces will have overrun
Sculptures build by mankind
So standup and start to fight

Start fighting up your fears
Forget about all lost tears
Never turn and look back
Better get your selfrespect

Before the setting of the sun
Armed forces will have overrun
Sculptures build by mankind
So standup and start to fight

Start fighting up your fears
Forget about all lost tears
Never turn and look back
Better get your selfrespect
