Seeing thru a hole in time  
Looking at this world of mine  
All the words we've had to say  
All the dreams to light the way  
It's been fine though we've been apart  
But it's only just begun  
Far away from home  
But baby I'm not alone

Lift me up  
Turn me around  
Got to get my feet off the ground  
Lift me up  
Turn me around  
Got to get my feet back off the ground  
Lift me up  
Turn me around

Sunrises in black and blue  
Sunsets say I love you  
You said I had strength to stand my ground  
Said I had wings to fly  
Far away from home  
But baby I'm not alone

Lift me up  
Turn me around  
Got to get my feet off the ground  
Lift me up  
Turn me around  
Lift me up  
Turn me around  
Got to get my feet off the ground  
Lift me up  
Turn me around

And everyday away hurts a little more  
But every day away is easy to ignore.

Lift me up  
Turn me around

Got to get my feet off the ground  
Lift me up  
Turn me around  
Lift me up  
Turn me around  
Got to get my feet off the ground  
Lift me up  
Turn me around
