I said a prayer for you tonight
To be strong for the weak in heart
I'll be the arms that hold you
I will give the strength that you need

(Chorus:)

I'll be your, I'll be your, I'll be your light
I'll be your, I'll be your, I'll be your love
Together we will be one

I'll be your eyes when you feel blind
Stand on truth where you feel doubt
I'll be the arms that hold you
I will give the strength that you need

(Chorus)

Together we'll be
Together we'll be strong
Together we'll be one

I'll be your, I'll be your, I'll be your light
I'll be your, I'll be your, I'll be your love
I'll be your, I'll be your, I'll be your light
I'll be your, I'll be your, I'll be your love
Together we'll be, together we will be one
