Don't think you want me
Don't want to see your face
Don't think you need me
It's just a game in your head
Don't think I can handle it
Don't think I can don't think I might
Don't think at all

When saying sorry
Sounds to much like goodbye
Don't say goodbye
When saying goodbye
Sounds to much like forever
Just say you love me

Don't think you want me
When you say you need me
Then I'll take back everything
Don't think I can handle it
Don't think I can don't think I might
Don't think at all

When saying sorry
Sounds to much like goodbye
Don't say goodbye
When saying goodbye
Sounds to much like forever
Just say you love me

I saw you all alone
Now I'm standing here
Looking into your eyes
You were all alone
I saw you all alone
Now I'm standing here
Looking into your eyes
I saw you all alone
But now I'm looking into your eyes
We were all alone

When saying sorry

When saying goodbye
When saying goodbye
Sounds to much like forever
Just say you love me
