I want to be something better than your so called
romeo

Tell me how long it will take for you to forgive him
At least that's easier than trying to forget all the
sleepless nights
I'm trying to figure out what's right, but you've made up
my mind

Thanks for giving me so much to write about
I fell in love but I'm having a falling out
He's on the other line
This happens every time
I tell you that I'm fine
Just to see you smile
I'll wait for you

Well I hope it's what you wanted
(I'm backing down now I'm sorry)
And I'll finish what I started
(Keep moving on now without me)
And everything will stay the same
At least that's what I'll tell you now
Cause if you want this all to end
Then you can not be around
Cause when I try to calm you down
I want to throw it all away

Thanks for giving me so much to write about
I fell in love but I'm having a falling out
He's on the other line
This happens every time
I tell you that I'm fine
Just to see you smile
I'll wait for you

I'm writing and waiting for my pen to run dry
I'm torn up and falling out of our love that was ment to
thrive

(I'm writing and waiting for my pen to run dry)

Thanks for giving me so much to write about
I fell in love but I'm having a falling out
He's on the other line
This happens every time
I tell you that I'm fine
Just to see you smile
I'll wait for you

I want to be something better than your so called
romeo
