Hellooo... hellooo

Hello
Can you see me
I am standing right here
Hello
Are you listening, can you hear me
I am, I am screaming in your ear

I have nothing to feel
I have nothing to say
You are not gonna take this from me
Years of screaming in pain
Years of anger and rage
I will not be your slave

So here we are
This is the end
But all that dies
Is born again
The scars will still remain
From the ashes I will rise again
Go (Goodbye)
Hello

I leave you in this moment
It's time to strip you of this all
Good bye, I will shut myself of this memory
But you, you won't forget me, I will haunt you til the [?]
falls

I have nothing to feel
I have nothing to say
You are not going to take this from me
Years of screaming in pain
Years of anger and rage
I will not be your slave

So here we are
This is the end
But all that dies is born again
The scars will still remain

From the ashes I will rise again
Go (Goodbye)
Hello

So here we are, this is the end
But all that dies is born again
Hello-o-o-o-o-o-ooo
Hello-o-o-o-o-o-ooo
Hello-o-o-o-o-o-ooo
Hello-o-o-o-o-o-ooo
