Can we run away tonight,
And hide from tomorrows?

The glass is cracking tonight,
Shattering my fears away.
The silence in here fades,
And it's only your eyes that I see.

Take me, (take me), pull me all around.
Break me, (break me), cause I'm yours.

Can we run away tonight,
(I need you by my side)
And hide from tomorrow?

We die in this moment,
And I don't want to wake from this.
I can barely breathe,
Suffocating on all that you gave me.

Take me, (take me), pull me all around.
Break me, (break me), cause I'm yours.

Can we run away tonight,
(I need you by my side)
And hide from tomorrow?

Can we run away tonight,
(To know that I'm alive)
And hide from tomorrow?

It's quiet now,
Whispers confess.

Can we run away now,
And hide from tomorrow?

Can we run away tonight,
(I need you by my side)
And hide from tomorrow?

Can we run away tonight,

(To know that I'm alive)
And hide from tomorrow?

Can we run away tonight,
(I need you by my side)
And hide from tomorrow?

Can we run away tonight,
And hide from tomorrow?
