The Lord Came Unto Me (Recorded in the Key of G)
(Jim Roberts, Sam Bush & John Cowan)

Verse 1:

On a gentle spring rain, the Lord came unto me
Refreshening my (world), weary soul
and on a soft and easy breeze, in the hills of
Tennessee
Hallelujah, (Hallelujah) the Lord came unto
meâ€¦mmmmâ€¦hmmmm

Chorus:

Well I will sing his praises now and evermore
Praise the Lord right here and on the, other shore
He will guide me, guide me, nourish and protect me
Hallelujah, (Hallelujah) the Lord came unto me

Verse 2:

Like a billion noon day suns, the Lord's eternal light
Came to me, in the darkness, of my night
As for the first time I could see, living the light eternally
Hallelujah, (Hallelujah) the Lord came unto me

Chorus

Verse 3:

On a raging summer storm, the Lord came unto me
and like lightning, his words, filled my soul
and in the thunder of his truth, eternal power, living
proofâ€¦.
Hallelujah, (Hallelujah) the Lord came unto me

Chorus

Hallelujah, (Hallelujah) the Lord came unto me
Hallelujah, (Hallelujah) the Lord came unto me
