Oh no, no, no!.. I just can't believe it
Just tell me it's not true
We had a fight, you left me tonight
And did you just say it serves me right
I know that in love no one can win
Baby please pick-up the phone
You just got to listen to me
Don't leave me alone

Don't let me doubt, keep me to the ground
You take me up and then you put me down
Don't let me doubt, keep me to the ground
You take me up then you put me down

Four, four, two, one, double-o, five
Your number's never free
Do I leave a message for you?
Will I hear you say you miss me to?
Tell me how long I gotta hold on?
Speak-on the telephone
Maybe you've just hidden today
It's a game that you play

Don't let me doubt, keep me to the ground
You take me up then you put me down
Don't let me doubt, keep me to the ground
You take me up then you put me down

Hey Baby!
What are you doing now?
Are you shaving or mowing the lawn?
Hey, just speak-up the phone!
Oh, get lost!!!

Don't let me doubt, keep me to the ground
You take me up then you put me down
Don't let me doubt, keep me to the ground
You take me up then you put me down
Don't let me doubt, keep me to the ground
You take me up then you put me down
Don't let me doubt, keep me to the ground

You take me up then you put me down
Keep me to the ground
Keep me to the ground
Keep me to the ground
Keep me to the ground
