Na na na  
Give me your love  
Na na na

Verse 1:  
Come and talk your world to me  
Cause I've been watching you get closer  
Come and tell me what you feel  
Cause every time your near its so right  
Come and show me what you see  
When you say tonight is special  
I just hang up on your lips  
And wait up on your kiss  
A sign of your love

Chorus:  
Na na na  
We tango alone  
Na na na  
And maybe we'll take it to far  
And maybe we'll touch in a star  
Give me your love  
Na na na

Verse 2:  
Come and share just one more dance  
And tell me who believes in romance  
Now is just a point in time  
And love is not a crime in my mind  
Come and dance my life away  
And tell it will last forever  
Just a second or a day  
As long you deplay a sign of your love

(Chorus)

May I have this dance  
Follow me  
Follow me  
You'll be mine tonight

Na na na...

Na na na...

Give me your love

Na na na...

Na na na...

Give me your love
