Just a lie, just a lie
Baby tell me why
Every time, every time
You just make me cry
You got me lying on the ground
All you do is full around
Just for you, just for you
Get me on a skew
In my head, in my head
There is only you
You got me Baby on the floor
While you walk right out the door

Ah l'Amour, l'Amour
Je ne l'aime pas
Ni meme un jour
You show me Bang Bang
In your eyes
I know inside - it's only lies
Ah l'Amour, l'Amour
Je ne l'aime pas
C'est sans retour
You show me Bang Bang
Your goodbyes
Will make me die - it's only lies

Show me how, show me how
How to make you mine
Show me now, how me now
Just give me a sign
And let me get inside your heart
We could make it when we start
Could you please, could you please
Stay just where you are
You and me, you and me
We could go so far
Cause I just want to get it right
And all you do is push and fight

Ah l'Amour, l'Amour
Je ne l'aime pas

Ni meme un jour
You show me Bang Bang
In your eyes
I know inside ? it's only lies
Ah l'Amour, l'Amour
Je ne l'aime pas
C'est sans retour
You show me Bang Bang
Your goodbyes
Will make me die ? it's only lies

I'm so bad
I'm so bad
Without you
Ah l'amour, ah l'amour
Oui toujours toujours
Ah l'amour
