Me is slave to thee
Love can hurt and love will set you free
Lock up your liberty
Baby, safe a little love for me
Pa pa pa pa pa pa?

I have lost my reason
And I just can't trust what I do
It must be the season
To give myself over to you

Like you're loving me
And I will show you how it goes
Just you wait and see
My blood is redder than a rose

Me is slave to thee
Love can hurt and love will set you free
Lock up your liberty
Baby, safe a little love for me
Pa pa pa pa pa pa?

You're my ball and chain
You get me low, you get me high
My pleasure and my pain
You make me love you make me cry

Like you're loving me
And I will show you how it goes
Just you wait and see
My blood is redder than a rose

Me is slave to thee
Love can hurt and love will set you free
Lock up your liberty
Baby, safe a little love for me
Me is slave to thee
Love can hurt and love will set you free
Lock up your liberty
Baby, safe a little love for me

?a little love for me?
?baby, safe a little love for me
Pa pa pa pa pa pa?
