I felt so hot and the sun was high
I was sinking into as I
By the sea, I saw
You with your blue eyes
And the sky was true

But you left me when the sun went down
And did forever just forget to come round
And all of your pane
I feel makes it all
So real - you went away

La la la la la l'amour, l'amour
La la la la la l'amour
La la la la la l'amour, l'amour
C'etait un jour mais pas toujours

I feel so cold and the moon is high
I can't believe it and I don't know why
You're like a shadow
I'm getting madder
Watching love go-by

You were a miracle inside my life
And for a day I couldn't be your wife
It's so frustrating
Seeing my memory
Cutting like a knife

La la la la la l'amour, l'amour
La la la la la l'amour
La la la la la l'amour, l'amour
C'etait un jour mais pas toujours

La la la la la le jour, le jour
La la la la la le jour
La la la la la le jour, le jour
Que le destin m'a donne l'amour

La la la la la l'amour, l'amour
La la la la la l'amour

La la la la l'amour, l'amour
C'etait un jour mais pas toujours

La la la la l'amour, l'amour
La la la la l'amour
La la la la l'amour, l'amour
Jusqu' mourir d'Amour
