You promised me  
Just me and me

You promised me the moon and the sun, the birds and  
the sky  
You promised me a wonderful life they were underlast  
You promised me all diamonds and pearls that I never  
kept  
You promised me where the roses are gold but soon I  
forgot

You promised me  
Just me and you

You promised me I could be your queen and you be my  
king  
You promised me a white wedding dress where is your  
ring  
You promised me your time of caress your kisses of  
life  
So try to show these possible things 'cause I'm wasting  
my time

You promised me  
Just me and you  
To late for tu  
Tu tu tu tu tu tu...

I don't know what to do in my life  
But I know my rule gave you a second chance

You promised me (3 times)  
To late for tu  
Tu tu tu tu tu tu
