Reek, reek for me
Suck my excrements
Encrust crevice

I see it, right before my eyes
Reek, reek for me, reek and return

I like the smell thats coming out of your cute looking
white ass
Please help me to fulfil my needs, I hope you must
right now

Let me feel now of how much that you will drop on me
Ooh, so hard, you little chicken, its impossible to
crown

I feel this erotic sign, senseless but burning,
Burning so nice
I see it when you hose on my face, so warm, intensive
The smell is so nice

Reek, reek for me, reaching ecstasy

Blow your mind and push your shit, and drop it on my
knees
Cover my body with your dirt and lick it of my skin
Urinate in my face, dont care if Ill be blind, Im
blind

Your rectum will be empty now, but I will need some
more
Im so glad I found you but its impossible to go

I found the perversity in you

Are you my sexgoddess, Im your lord
Satisfy my pervert lust, rapt in joy
Mighty perversity, in which we exist
Righteous, celebrate my senses of pride

My pride,

Your guide

I feel it, I taste it, right inside my mouth
See it, smell it, right inside my mind

Reek, reek for me, taste you

I must shit upon your face, my tenses are so high
I wonder if Im satisfied, my body will need more
I must face this horrible burn, my emotions are
distracted
Sexual repugnant
Sexual insane
