Honey honey, give me head and lets and lets waste
some time

Lets find out where we stand cause I love you so

Honey honey, youre on the way to be wet

I want to play with you, you are so beautiful,

You have this sensual urge

Lustful, innocent

Erotic lust is what we need, fun and games seem to
worn

you out

I see you in my eyes, I see you lascivious

Lets pretend we know each other for a while

I see you in my mind, I see you naked

Deep inside you

Pleasure-loving orgasm

Swirling in wet tornado

Fervent thighs

Every morning, real lewd trip, calling the reaper

Working our bodies swirling, sweat on your sheets,

Gushing my cream with a hot flash of animal lust

Youre pristine, be my bride, I want you by my side

Stroking your flesh, love is immortal

Honey honey, give me head until my love is red

Just want to lay down and drive you here

Lustful, innocent

Something did happen which never happened

I fell in love, more than desire

Sexual obsession

Sexual obsession, mental agression

I take you from behind, licking your wet lips,

You eat my swollen balls, I massage your softly
breasts,
Pulling the nipples, Im cumming on your back
Sexual obsession?

Sexual obsession, manic depression
Sexual obsession, mental agression

Every morning, I hear your gentle voice
Whisper sweet nothings, your flamingo pose

The smile on your face, speaks a profound inner peace
