Post-genocidal traumatic senses, revived by synthetic  
medicine

salvaging what is left of organic tissue, moral set  
aside in this age of carnage

desensitized, no values for life, depraved by the  
pyroclasm

creating and altering a new breed for retaliation

Medical knowledge - acquiring new recruits - rehashing  
the crazed - as tool of warfare

electrical impulses take control of their lives  
a breeding pool fo the geneticaly remodeled  
no life, nos sense...futuristic

desensitized, no values for life, depraved by the  
pyroclasm

creating and altering a new breed for retaliation  
man made a pathway to an alterate salvation  
sequence 2171, genetical regression

the first strike, but against their own  
pshychological indoctrination

out of control

chemicals, acidic hope  
as the march over the dead  
chemicals, there is no hope

desensitized, dehumanize life

crafted by man

a project of hate  
bred by despair  
fueled by their frenzie

as the preapre...

the first strike, but against their own  
pshychological indoctrination

out of control  
chemicals, acidic hope  
as the march over the dead  
chemicals, there is no hope

ravagedn torn apart-survival  
desensitized, dehumanizid, life  
thoughts to be fed, a book to be read  
a battlefield to be cleansed
