You never question, you never ask why  
You never listen, you never try  
Never wanting to make a stand  
With people like you humanity's damned

Get out while you can  
Get out while you can  
Get out while you can  
Get out

Get out while you can  
Get out while you can  
Get out while you can  
Get out

Bomb could drop but you don't care  
Cupboard's empty but you won't share  
People repressed but you don't see  
Normal attitude sickens me

Get out while you can  
Get out while you can  
Get out while you can  
Get out

Get out while you can  
Get out while you can  
Get out while you can  
Get out

Get out while you can  
Get out while you can  
Get out while you can  
Get out

Get out while you can  
Get out while you can  
Get out while you can  
Get out

Get out

Get out while you can  
Get out while you can  
Get out while you can  
Get out

Get out while you can  
Get out while you can  
Get out while you can  
Get out

Get out while you can  
Get out while you can  
Get out while you can  
Get out
