Come on

Harry runs his business
From above the dodgy In
His brother has a chemist
He's a front for Anadin

What's his name?
Harry May
I said, "What's his name?"
Harry May

I said, "Harry, Harry, Harry May
Harry, Harry, Harry May"

Harry's got a roller
A shooter in the boot
Killing is his living
It's where he makes his loot

What's his name?
Harry May
I said, "What's his name?"
Harry May

I said, "Harry, Harry, Harry May
Harry, Harry, Harry May"

Now he's turned 60
He's given in on this
He's given up his shooter
And he's always on the piss

What's his name?
Harry May
I said, "What's his name?"
Harry May

I said, "Harry, Harry, Harry May
Harry, Harry, Harry May"

Now he's turned 60

He's given in on this
He's given up his shooter
And he's always on the piss

What's his name?
Harry May
I said, "What's his name?"
Harry May

I said, "Harry, Harry, Harry May
Harry, Harry, Harry May"
