How dare you sit in judgment  
Of working girls on the game?  
You're just as guilty, your honor  
Hiding facts behind your fame

Dishing out a prison term  
For what should be your right

We want the truth  
The whole truth and nothing but the truth  
We want the truth  
The whole truth and nothing but the truth  
We want the truth

Pass the buck with a sentence  
Learned upholder of decency  
Dishonored your bench and all who sit on it  
Paid young girls frequently

Dishing out a prison term  
For what should be their right

We want the truth  
The whole truth and nothing but the truth  
We want the truth  
The whole truth and nothing but the truth  
We want the truth

With your friends in high places  
Hypocrite, son of a bitch  
The only reason you're still here  
Is 'coz you're filthy rich

Dishing out a prison term  
For what should be their right

We want the truth  
The whole truth and nothing but the truth  
We want the truth  
The whole truth and nothing but the truth

We want the truth  
The whole truth and nothing but the truth  
We want the truth  
The whole truth and nothing but the truth  
We want the truth
