The judge turned to me  
as he threw away the key  
murder one murder one  
your doing life my son

You have robbed  
you have slaughtered  
your going somewhere hot  
murder one murder one  
your going straight to hell

Winners and losers  
takers and users  
saints and sinners  
never had room for me  
so sod off to you all

25 to life and I'm getting crucified  
murder one murder one  
don't care what I've done  
I have loved the sunlight  
much as any man alive  
murder one murder one  
will I see it again

I hear my father's voice  
calling down to me  
murder one murder one  
he said you did a lot wrong
