Everywhere you go

Lights flash

All you got to have

Is the cash

While you think you're able

It's got to have a label

Designer music

Designer music

I don't even know

What it means

Stick it on your shoes

Or your jeans

If Calvin says it's smashin'

It's got to be in fashion

Designer music

Designer music

Designer music

Designer music

Following the crowd

It's their game

Everything depends

On which name

It's got to be designer

There could be no finer

Designer music

Designer music

Wearing your Sassons

Stop the show

Got to be in Vogue

With Polo

Stick it on your sweater

It's got to make it better

Designer music

Everywhere you go

Lights flash

All you got to have

Is the cash

While you think you're able

It's got to have a label
