Come on now and let's begin
Come on now and kick it in
All the CB's follow me
I'm the one they call yo D
Get out of your sleepy bed
On your knees and use your head
I got the white salty juice
Bombs away cream is loose

I got this feelin' that time's just holding me down
I'll hit the ceiling or else I'll tear up this town

Now I gotta cut loose Footloose
Kick off the Sunday shoes
Please Louise pull me up off my knees
Jack get back come on before we cut
Lose your blues
Everybody cut Footloose

Once again you will find
I got one thing on my mind
I'll never tell you lies
Girl you have got freaky eyes
Dancin' and you look the same
Be a player in the game
In and out here we go
Oh my god bags have blown

I got this feelin' that time's just holding me down
I'll hit the ceiling or else I'll tear up this town

Now I gotta cut loose Footloose
Kick off the Sunday shoes
Please Louise pull me up off my knees
Jack get back come on before we cut
Lose your blues
Everybody cut Footloose
