Yeah, Bus Stop boys comin' right at you with a brand
new jam,
A little somethin'for everybody, come on, everybody
sing it, come on
Na na-na, na na-na, na na-na na-na na na-na, let's go
Na na-na, na na-na, na na-na na-na na na-na, hit it
Come on

I don't know what I've been told, sun shines bright but
I'm still cold,
Everybody come on
I don't know what I've been told (I don't know what I've
been told)
The sun shines bright and I'm still cold (sun shines
bright and I'm still cold)
Though you may be far away (though you may be far
away)
I know you will be back someday (I know you will be
back someday)

Now listen here, I got somethin' to tell, there's a girl I
know so well (so well)
She used to be a friend of mine, she looked so fine, we
had a real good time
(She was fine)
And everywhere that I would go my baby girl would be
sure to follow
Cuz I was the man with cash, a little moustache, she
called me Flash
New to the scene, squeaky clean, had a big set, you
know what I mean
(Sexy, right)
Bright blue eyes, a homemada tan, the girl knew that I
was her man
She got romance from me, I used to go with my pack of
three (DJ)
And I remember being told, the sun shines bright but
I'm still cold

*I don't know what I've been told (I don't know what I've
been told)
The sun shines bright but I'm still cold (sun shines

bright but I'm still cold)
I don't know what I've been told (I don't know what I've
been told)
Though you may be far away (though you may be far
away)
I know you will be back someday (I know you will be
back someday)

That girl was mine, looked so fine (yeah), she drinks
Moet, cheap red wine
(All the time)
She's goin' to the top cuz she looks so fine, it makes
my heart stop
(Tick-tock)
And that's why I did cry, she left me for another guy
(bye-bye)
Now he drives a real fast car, he's gonna make it, a big
film star
Hip hip hurray, that's what I'd say, if that angel came
back my way (no way)
Cuz I see her around the town, with a cheese, on her
knees, goin' down
So I stand and watch from afar, I wanna give in with a
zig-a-zig-aah
But I can't cuz my blood runs cold, don't know what, but
I've just been told

*Repeat

What you're doin', yeah, you think so, baby, all right
everybody in the place,
Let me hear you sing it, come on

Na na-na, na na-na, na na-na na-na na na-na, you all
know how it goes
Na na-na, na na-na, na na-na na-na na na-na, sing it
loud
Na na-na, na na-na, na na-na na-na na na-na
Na na-na, na na-na, na na-na na-na na na-na,
everybody sing it
Na na-na, na na-na, na na-na na-na na na-na
Na na-na, na na-na, na na-na na-na na na-na
Na na-na, na na-na, na na-na na-na na na-na
Na na-na, na na-na, na na-na na-na na na-na, come on

*Repeat (x2)
