Kick the can man
Come on and kick the can man

We hello now here wo go to start
The party start the show
So get yourself right in the line
Bus Stop's here it's party time
Kick your legs high in the air,
Do it like you just don't care
Now every woman every man come
And kick the can

* Kick your legs up in the air,
Kick it like you just don't care
Every woman every man come on
And kick the can

Come on and kick the can man
Here we go (x3)
Kick it

Now it's all right yeah it's okay
We're gonna kick it anyway
Jump around up and down while
The track is bumping pumping

Kick your shoes up off the floor
Bus Stop's here to give you more
Now every woman every man come on
And kick the can

* repeat
