All aboard

DJ bring the beat on (bring the beat on, bring the beat  
on, bring the beat

On)

Let me go

Chorus:

Gather round the corner, half a mile from here, see  
that long train run

As you watch it disappear

Without love, where would you be right now?

Without love...

Thought I saw Miss Lucy, down upon the tracks, she  
lost her home

And her family and she won't be comin' back

Without love, where would you be right now?

Without love...

Let me go to the bass I'm pumping, (pumping it,  
pumping it, pumping it)

Now DJ let's start rocking it (rocking it, rocking it,  
rocking it)

Oh baby without love, where would you be right now?

Dance if you wanna get hyper, come on MC rock up on  
the mike,

Let me go everybody move on

Well the Illinois Central and the Southern Central  
Freight,

Got to keep on pushin' mama 'cause you know they're  
runnin' late

Without love, where would you be right now? Na, na,  
na, na

Without love...

Well pistons keep on churnin'

While the wheels go round and round and the steel  
rails are cold

And hard for the miles that they go down  
Without love (without love),  
Where would you be right now (where would you be  
right now)?  
Without love... (where would you be right now?)

Rap:

Yes I'm the lyrical master, scream if you wanna go  
faster,  
Taking the train to the next station, on the dance floor  
rocking the nation  
The sound is coming out loud, so DJ play a song loud,  
Dancing I'll make your body rock, long train running  
and it won't stop  
Like a piston I keep on churning, like a fire I keep on  
burning,  
Dance around in the place, let my DJ rock the place

Chorus

Moving on, moving down the track  
Let me rocking on,  
Ooh, Never coming back  
Let me go
