Once again G, Mark and me  
Doing a track for the boys A T  
A tune if the truth be told  
The name's Bus Stop, you know, good old,  
And that's what gets me down  
No more pennies, no more pounds  
But that's alright, hey that's OK  
Every dog's gonna have it's day  
Got no job, ain't got no money  
Got no love, and that ain't funny  
Got no car, no job, no money, no girls, no love, and  
that's not funny  
No Porsche, no Jag, no woman to Oi,  
No clothes no pitch and we ain't got a stitch... Life's a  
Bitch  
Life's a bitch I'm sure you know  
Time's up now, away we go  
Wave bye bye, don't you cry  
I'll be your guy, my love won't die  
Yeah I know it won't be long  
Before the World's gonna sing our song  
One more try perhaps they might

Say it's good it's not quite right

Got no job, ain't got no money

Got no love, and that ain't funny

Got no car, no job, no money, no girls, no love, and  
that's not funny

No Porsche, no Jag, no woman to Oi,

No clothes no pitch and we ain't got a stitch... One Two
