Oh oh oh, oh yeah  
Alright everybody D.A.Z. and Bus Stop here with a man-  
size jam  
We gonna be slammin', y'all know the way it goes  
Yeah, come on, that's right, all everybody, y'all ready?

Yo this is it baby c'mon let's go  
I got something you might just wanna know  
Something that will hit your spot make you feel so hot  
Let's hope those pennies drop  
So baby come and check this program D.A.Z. mashin'  
up the slow jam  
So you can be who you are  
Now when I flex it up you go Woo Haa!  
So put those hands high step aside  
C'mon join this retro vibe we got it goin' on in the  
middle  
So baby shake that thang... just a little  
Follow me cause I'm goin' far  
People say who do you think you are?  
Well this night you won't forget  
I'm telling you babe you ain't seen nothin' yet

Chorus:  
You ain't seen nothin' yet  
B-b-baby you just ain't seen nothin' yet  
Here's somethin' that you're never goin' to forget  
B-b-baby you just ain't seen nothin' yet

Oh yeah I'm gonna give you somethin' that you won't  
forget  
Oh yeah you think you've seen it all but you've seen  
nothin' yet  
Oh Baby Baby

Wig-wam bam thank you ma'am, I need a girl I can  
smooth 'n' slam  
She got to be on the scene, sweet 16 an' like ten-fifteen  
I'm gonna show her a good time  
I'm gonna go where the sun still shines  
'Cause that's all I aim to do my 5.5 kicks right at you

Now I'm in demand I look so nice  
I wanna put the drop on Baby Spice  
Cause she's got style and grace  
I like to see her put her lips on my face  
Oh yeah she's gonna take the mick  
But I don't care cause I got a new trick  
Now I'm in the zone getting set  
D.A.Z.'s here you ain't seen nothin' yet

Chorus:

You ain't seen nothin' yet  
B-b-baby you just ain't seen nothin' yet  
Here's somethin' that you're never goin' to forget  
B-b-baby you just ain't seen nothin' yet

Oh yeah I'm gonna give you somethin' that you won't  
forget  
Oh yeah you think you've seen it all but you've seen  
nothin' yet  
Oh Baby Baby

Nah nah-nah, nah nah-nah, nah nah-nah, nah nah-nah-  
nah-nah-nah...

All right everybody put those hands high in the air,  
Bus Stop boys and D.A.Z. comin' at ya for the year 1-9-  
9-9  
With a brand new jam  
You know the way it goes-sing it

You ain't seen nothing yet no doubt  
Randy and D.A.Z. will turn it out  
So baby, come join the fun  
We're taking the track back to number 1  
This is it we know the score  
We're gonna mash it up do you want more  
Well get your dabs on make a bet  
The tracks goin' big we ain't started yet

Chorus:

You ain't seen nothin' yet  
B-b-baby you just ain't seen nothin' yet  
Here's somethin' that you're never goin' to forget  
B-b-baby you just ain't seen nothin' yet

Oh yeah I'm gonna give you somethin' that you won't  
forget  
Oh yeah you think you've seen it all but you've seen  
nothin' yet  
Oh Baby Baby
