Steal the thunder  
You're a diamond in the mire  
Shine on, won't you shine on  
No matter where you are

Like the forces of nature  
Irresistible as the sun  
So real got to be so real  
Your heart and your mind's desire  
So wake up and dance  
Now is the time, hey, hey, hey

Celebrate your life  
It's your life  
(Your life)  
Celebrate your life  
Step into the big sunshine

From rags to riches  
So many only dreamin'  
So don't be a fool now  
Keep control on your destination

With the future so bright  
Aim your eye to the sky  
So real got to be so real  
Life can be what you want it to be  
So wake up and dance  
It's your time, hey, hey, hey

Celebrate your life  
It's your life  
(Your life)  
Celebrate your life  
Step into the big sunshine
