Moments like this
You're holding me down
There's no place to hide
When you're love comes calling

Oh you, given me a love so strong
I want it to last forever

I'm crazy for you
The things that you do
I can't stop thinking of you

Ooh, I'm crazy for you
The things that you do
I can't stop thinking of you

I follow your star
Wherever you are
(Always)
Oh, you're my one and only love
Ooh, my fantasy

Oh you, given me a love so strong
I want it to last forever

I'm crazy for you
The things that you do
Baby, I can't stop thinking of you

Ooh, I'm crazy for you
The things that you do
Sweet honey, I can't stop thinking of love
Ooh, your love

Thinking about you, baby
I can't stop thinking of you
Thinking about you, baby

Oh you, given me a love so strong
I want it to last forever

I'm crazy for you

The things that you do
I can't stop thinking of you

Ooh, I'm crazy for you
The things that you do
I can't stop thinking of love

Crazy for you
The things that you do
I can't stop thinking of

Crazy for you
The things that you do
I can't stop thinking of

Crazy for you
The things that you do
