(Jean-Paul Maunick / Dominic Oakenfull)

It's July but it's winter in your mind

You've been down but never quite this way before

It's a crime to watch the needle take another soul

Look around see the poison killing people by the score

You've got into something that's leading you nowhere,
cut it loose

Yeah, yeah, cut it loose, turn it out

Getting deeper into something, that leaves you with
nothing, cut it loose

Yeah, yeah, cut it loose, turn it out

Every time you escape into the wilderness

You will find it's stolen just a little more of you

You say you're fine, but it's only your imagination

Such a shame, 'cos you've only got yourself to blame

You've got into something that's leading you nowhere,
cut it loose

Yeah, yeah, cut it loose, turn it out

Getting deeper into something, that leaves you with
nothing, cut it loose

Yeah, yeah, cut it loose, turn it out

Such a shame, you've only got yourself to blame

You've got into something that's leading you nowhere,
cut it loose

Yeah, yeah, cut it loose, turn it out

Getting deeper into something, that leaves you with
nothing, cut it loose

Yeah, yeah, cut it loose, turn it out
