J.P. Maunick/R. Bull)

I've taken time to say goodbye to my sadness

But now I know I'm free

You took my hand and led me out of the darkness

To help me find a brand new me (Baby)

Though all the world around me criticized

The love you gave was never compromised

I never heard you say through all of the madness

Maybe, maybe

There's no denyin' I feel the same way too

Baby, I would die for you (Yeah)

I would (Die for you)

With you I know I'm in a place

That darkness can not touch

Chorus:

Givin' it up

Givin' it up

Givin' it all up to the feelin'

Givin' it up

Givin' it up

Baby, I know you've got that somethin'

(Givin it up)

Learning the truth, that exposed me to my blindness

Has opened up my world

Gone are the barriers that kept me out in darkness

Living in a twilight world

You guided me, where others feared to tread

And through it all no grudging words were said

I never heard you say through all of this madness

Maybe, maybe

There's no denial I feel the same way too

Honey, I would die for you

I would (Die for you)

With you I know I'm in a place

That darkness can not touch

Givin' it up

Givin' it up

Givin' it all up to the feelin'

Givin' it up

Givin' it up

Babe, I know you've got that somethin'

(Repeat)  
Give it up!  
I want to give it up!  
There's no denial I feel the same way too  
Baby, I would die for you (Yes)  
I would (Die for you)  
With you I know I'm in a place  
That darkness can not touch  
Givin' it up  
Givin' it up  
Givin' it all up to the feelin'  
Givin' it up  
Givin' it up  
Babe, I know you've got that somethin'  
(Repeat)  
That's why, I'm givin' it all up to you, Baby
