Inside life

Use your imagination
To recreate the heart of our creation
Explore the force within you
On a journey to forever

Take a trip to your mind
The secrets you'll find
I hear them inside life

(Take a look inside life, inside life)
I hear them inside life
(Take a look inside life)

There's a river that flows
To the heart of the matter
Follow your dreams into tomorrow
Like the blue Nile to the sea

And the yellow moonshine
To show you the way
Hear them inside life

(Take a look inside life, inside life)
I hear them inside life
(Take a look inside life)

Close your eyes and listen to your thoughts
And you'll feel your heart beatin'
It's the river of, of life
(Inside life)

Take a trip to your mind
The secrets you'll find
Know you gonna find life

(Take a look inside life)
Inside life, ohh
(Inside life)

(Take a look inside life)

Take a look inside life
Where the yellow moon shines
(Take a look inside life)

There's a river that flows
(Inside life)
Take a look in your mind
(Take a look inside life)
Ohh, let them inside life

Take a look inside life
Inside life
Take a look inside life
