Verse 1:

Feelings... emotions
You cant fight it gotta mind of its own
Watchin... hoping
That as you pass my way someday you'll be mine
I wish that I could stop
This moment in time
And make some sense of it (oh yeah)
Let you know how I feel

Chorus:

Ive been waiting for the chance to rock your mind
And now you're beside me
I've been waiting for the chance to make you mine
You're so fly, but I'm too shy to ask

What do I say?

What can I say.. to someone as beautiful as you?

Verse 2:

Wanting...feelin
When you're around me I feel like I'm on fire
Knowing...believing
Whatever may be you won't leave my mind

I wish that I could stop
This moment in time
And make some sense of it
Gotta let you know let you know how I feel

Chorus

Ive been waiting for the chance to rock your mind
And now you're beside me
I've been waiting for the chance to make you mine
You're so fly, but I'm too shy to ask

Ive been waiting for the chance to rock your mind
And now you're beside me

What do I say?

What can I say.. to someone as beautiful as you?

You're so fly, I'm too shy (repeat 4 1/2 times)

Waiting for the chance to make you mine

Waiting for the chance to rock your mind
