(j.p. maunick/r. bull/r. taylor)

Felt so good when we started  
The future burnt so bright  
From the moment our eyes met  
We knew that it was so right

We have each other  
And I believe we have the power  
To make it happen

Chorus:  
(keep the promise)  
(can we keep the promise)  
Can we keep it  
(keep the promise alive)  
Oh  
(keep the promise)  
(can we keep the promise)

(keep the promise alive)

I believe in the notion  
We have dreams to fulfill  
I believe in forever  
I know that I always will

You are the reason  
Baby I cannot shake this feelin'  
Let's make it happen

Repeat chorus

It gets better, it gets stronger all the time  
And I've discovered that there's one thing on my mind  
Keep the promise alive

Chorus to fade
