More of myself

From the moment that we met
I knew I wanna give all of myself to you

Now wherever I may be
I'd even brave the stormy sea
Won't tarry on a shore
That keeps me from your door
'Cos I'm missing you

More, more, more of myself
I wanna give more of me to you
More, more, more of myself
I wanna give more from me to you

More of myself
I wanna give more of myself
More of myself

Every time I dream it's you, I find
Running through the blossoms in my mind

I know I'll love you endlessly
Because the love you give to me
Gets me to the core
And leaves me wanting more
'Cos I'm missing you

More, more, more of myself
I wanna give more of me to you
More, more, more of myself
I wanna give more from me to you

More of myself
I wanna give more of myself
More of myself
I gotta give more of myself

Now wherever I may be
I'd even brave the stormy sea
Won't tarry on a shore

That keeps me from your door
'Cos I'm missing you

More, more, more of myself
I wanna give more of me to you
More, more, more of myself
I gotta give more from me to you

More, more, more of myself
I wanna give more of me to you
More, more, more of myself
I wanna give more from me to you

More, more, more of myself
I wanna give more of me to you
From me to you, more of myself

I wanna give it
I wanna give it to you, baby
More of myself, more of myself
