Out in the heat, little child  
On the streets runnin? wild  
Barely ten, got a gun  
So now he [Incomprehensible] that he's a man  
Yes, he does

Teenage girl, out to steal  
?Cause her baby is in need of a meal  
Tryin? to cope as best she can  
In the high sunshine, low on hope, yeah

Well, there it is  
Ooh, summer in the city, ooh  
Tryin? to make sense  
Of a world gone crazy

One hundred and rising  
So the tale is told  
One hundred and rising

Old man sitting in the shade  
Won't take part in the charade  
He may be old, but he ain't a fool  
He has seen how dreams are bought and sold

On every corner, a steady stream  
To buy a thrill, a piper's dream  
While the heat takes its toll  
It's just another day on a city street

Well, there it is  
Ooh, summer in the city  
Tryin? to make sense  
Of a world gone crazy

One hundred and rising  
So the tale is told  
One hundred and rising

Hey, you gotta do the best  
To get by  
In the high sunshine

One hundred and rising  
So the tale is told, yeah  
One hundred and rising  
Summer madness will unfold

One hundred and rising  
Oh, summer madness will unfold  
Summer in the city, yeah

Tryin? to make sense of a world  
A world gone crazy  
A world gone crazy, crazy, crazy, yeah

Tryin? to make sense, say yeah, of a world  
A world gone crazy, a world gone crazy  
[Incomprehensible], gotta make sense now

Tryin? to make sense of a world  
A world gone crazy  
A world gone crazy, crazy, crazy, crazy, crazy, oh yeah

Tryin? to make sense of a world  
A world gone crazy  
Crazy, in the city, oh yeah

Tryin? to make sense of a world  
A world gone crazy  
Crazy, crazy, crazy

Tryin? to make sense of a world  
A world gone crazy  
A world gone crazy  
Crazy, crazy, crazy

Tryin? to make sense of a world  
A world gone crazy
