Shinin' like the noon day sun
You gave me a fever
Hypnotized under your spell
Caught in a rapture

There's no use in denyin'
That much is true
There's no other way to say it
I'd die for you

Whatever you desire
Child, I give my all to you
Tell me what you desire
Oh child, I promise you the moon

Late at night with Quincy and Gershwin
It's stronger than ever
This feelin' inside
When you're holdin' me, baby

So what's the use in denyin'
You know that it's true
There's no other way to say it, no
I love for you, only you

Whatever you desire
Child, I give my all to you
Tell me what you desire
Oh child, I promise you the moon

There's no use in denyin'
I'd die for you

Whatever you desire
Child, I give my all to you
Tell me what you desire
Oh child, I promise you the moon

Whatever you desire
Child, I give my all to you
Tell me what you desire
Oh child, I promise you, promise you the moon

Whatever you desire
Tell me what you desire
Oh child, whatever that you desire
That you want me to, I would do for you

Whatever you desire
I promise you the moon
Tell me what you desire
